Sacramento, CA 95812-3044

Date: October 28, 2005

From : **Sonke Mastrup, Deputy Director**
Department of Fish and Game

Subject : Notice of Determination for Cedar Roughs Wildlife Area Management Plan, Napa County
SCH #200507285

Attached is the Notice of Determination for the final Cedar Roughs Wildlife Area Management Plan, in Napa County. The Department of Fish and Game's Central Coast Region has fulfilled the 30-day public review period for the draft Cedar Roughs Wildlife Area Management Plan (Plan) and proposed Negative Declaration.

We have reviewed and considered the submitted public comments and addressed those comments in an appendix to the final Plan. In light of the environmental checklist and public comments received, we have concluded that there is no substantial evidence that the Plan will have a significant effect on the environment and have adopted the Plan without any changes.

We will be posting the final Plan and all appendices, including public comments and our responses on the Department's website at: www.dfg.ca.gov, and at the Region office at 7329 Silverado Trail, in Napa, during the 30-day NOD posting period.

If you have any questions regarding these documents, please contact Ms. Tina Fabula, Associate Wildlife Biologist, at (707) 944-5538; or Mr. Larry Wyckoff, Senior Wildlife Biologist, at (707) 944-5542.

Project Title: Management Plan for the Cedar Roughs Wildlife Area

Project Location (including County): Pope Canyon Road and Berryessa-Knoxville Road in Napa County.

Name and Address of Project Proponent: California Department of Fish and Game, Central Coast Region, PO Box 47, Yountville, CA 94599

Project Description: The purpose of the management plan is to serve as a descriptive inventory of fish, wildlife and native plant communities ; provide an overview of the wildlife area's operations and maintenance activities and describe goals and general tasks to accomplish effective property stewardship. The Plan also discusses the area's primary purpose and appropriate public use.

Findings of Exemption:

1. An Initial Study has been conducted by California Dept. Fish and Game to evaluate the potential for adverse environmental impacts.
2. A Negative Declaration has been prepared by the California Dept. Fish and Game.
3. The lead agency has no evidence before it, including the information in the Initial Study, the Negative Declaration and public comments, to indicate that the proposed project could have any potential for an adverse effect on fish and wildlife resources or the habitat upon which the fish and wildlife depends.

Certification:

I hereby certify that the lead agency has made the above findings and that based upon the record, the project will not individually or cumulatively have an adverse effect on fish or wildlife resources, as defined in Section 711.2 of the Fish and Game Code.
